

A gift has been given in your honor to

Friendship Trays

Friendship Trays offers a daily, home-delivered meal program of healthy meals to homebound individuals throughout Charlotte-Mecklenburg. They serve those who are unable to obtain meals for themselves due to age, disability, or illness. Over 100 volunteers provide more than 600 meals daily to recipients providing a healthy meal, socialization and security.

Friendship Trays' services give families the peace of mind that their loved ones are checked on daily, and give individuals the ability to remain independent in their own homes.
