## Salvation Army Center of Hope

*The Salvation Army of Greater Charlotte strives to be a leading force in providing human services to those in need, in the name of Christ, without discrimination. It operates Charlotte's largest year-round emergency shelter for women and children. There is currently a critical shortage of space to house the women and children in our community with no place else to go. With 250 beds, the shelter not only meets basic needs, but also offers supportive services such as childcare, transportation, and a medical clinic. A Boys and Girls Club program at the shelter provides after-school and summer camp programs for children residing there.*

*Your gift ensures these women and children have the essential supplies and services needed for a better future.*
