

A gift has been given in your honor to

Sedgefield Elementary School

As part of our School Partnerships Ministry, Myers Park United Methodist Church has long partnered with Sedgefield Elementary School. For many families of students there, making ends meet is a challenge and basic necessities are sometimes out of reach. Help bolster these students' success by providing basic learning materials for the classroom. Your support will contribute to a 5th grader's year-end goal of a class trip to Washington, DC. For many students, this is their first chance to travel outside of Charlotte and an opportunity to experience a life-changing educational adventure.

Your gift will tell a story to these children that they live in a community that supports their school, and that they have neighbors who will walk with them to achieve their goals of educational success.
