

Name the Prophets

God chose many men to be special messengers to His people. These men were called prophets. With God's help, they told the people God's messages. Sometimes the prophets told what would happen in the future and sometimes they warned the people to go back to serving God.

Rearrange the jumbled letters to find the names of seven of the prophets God chose to give His messages to the people. Write the correct spelling of their names in the boxes below the scrambled letters. The clues and Bible verses will help you.
