

2022 WESLEY FOUNDATION IMPACT REPORT

Our church's Wesley Foundation is primarily funded through planned gifts to our endowment. Each year, our Board reviews and approves a spending percentage of investment proceeds to fund Wesley Grants and capital improvements to our church campus. These funds enable our church to support God's work in our local and global community and preserve our campus for generations to come.

CAPITAL IMPROVEMENTS AND PURCHASES

In 2022:

- (1) Internet and technology upgrades throughout all church buildings

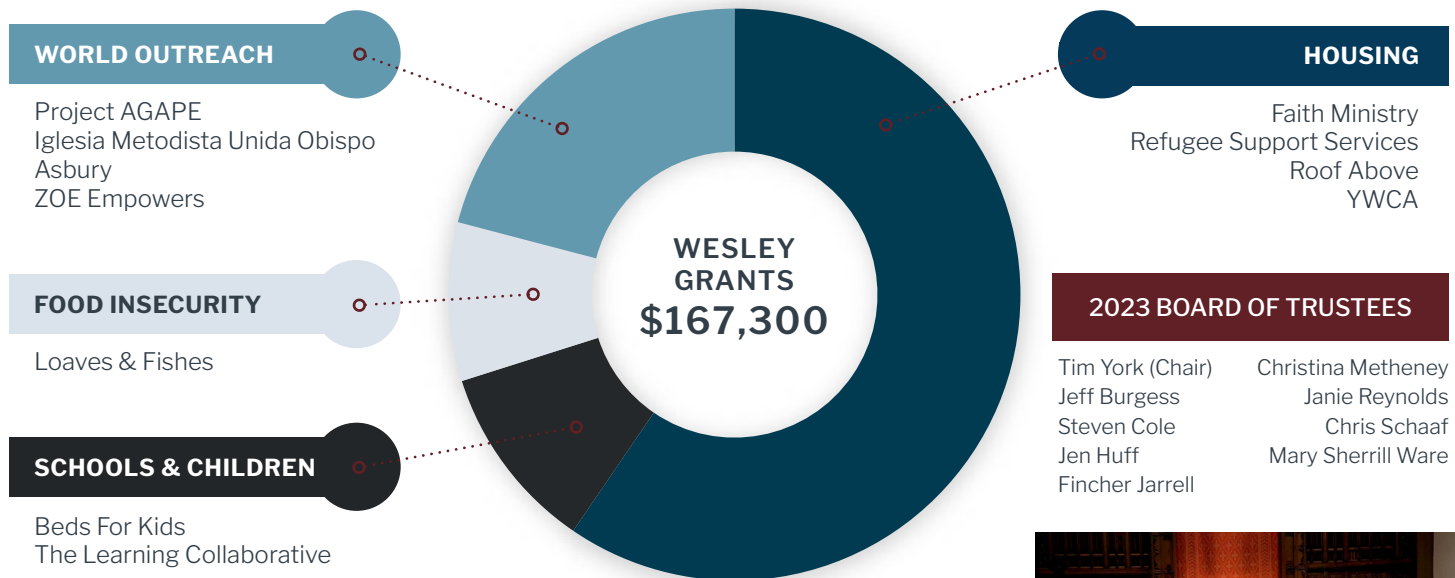

Planned for 2023:

- (2) Purchase of new van for all ministry areas to use

Our endowment will also fund ongoing maintenance of our stained glass windows in the Sanctuary.
