Overview

We offer a preschool program and an elementary program. Program placement is based on your child's current (not rising) school year grade/class. For example, if your child is in preschool during the current (2023-2024) school year, he or she will be in the preschool program this summer. If your child is in 1st grade right now, he or she will be considered a 1st grader this summer.

Registration

If you are interested in your child attending Summer Fun Days, see below to carefully read the registration information. If you have questions about applications and enrollment, please contact us.

Cancellation Policy

We have a **No Refund policy**. We know that even the best plans can change due to busy schedules. If you withdraw from Summer Fun Days, the registration fee will be credited as a donation from you to Children's Ministries.

Registration Information

Registration is online only, so take time now to ensure you know how to log in to your Realm account. Plan to access Realm from a **computer** using a Google Chrome browser. (There are known issues using phones for registration so please use a computer.) If you have questions, let us know!

Your registration will actually be an enrollment application. We will process the online forms (i.e., enrollment applications) in the order they are received and will enroll children in the appropriate age groups as long as space allows. If we come to your application after space is full in the age group/week you have registered for, your child will be placed on the wait list.

We will open the application early to MPUMC church members on Monday, February 26. It will open at 6:00 AM and will close at 3:00 PM to allow for processing. **The application will re-open to everyone on Tuesday, February 27 at 6:00 AM and will remain open until classes are full.** This early access to the application does not guarantee space for church members. **Space is limited, and spots fill very quickly.** The best way to ensure your child's enrollment is to access and complete the online application as soon as you are able. Online forms are processed in order of receipt.

What about payment? Our online system dictates that we accept payments in the form of credit or debit cards at the time of registration. Although we cannot guarantee your child is enrolled at the time you submit your online form (enrollment application), we do require payment of the full camp fee per child. If we are not able to enroll your child (because space is full), we will place your child on the wait list and keep the camp fee unless you decide not to accept the wait list spot. If you accept the wait list spot but later decide to take your child off the wait list or if space never opens for your child, you will receive a full refund.

How will I be notified if my child is enrolled or placed on the wait list? After you complete and submit your online form, you will receive an automatically generated email from Myers Park United Methodist Church that confirms your enrollment application and payment were received. **Please understand that this is NOT an enrollment confirmation.** It simply confirms your application has been received.

Within 14 days of receipt of your online application, you will receive an email from our registrar confirming that your child is either enrolled or placed on the wait list.
